Omnia pendent
Theuthonum neruos animoſeq; fortes
Martis expertes pater imbecilles
Credis: an ſpondet carolo triumphum
nostra ſimultas
Cum due forſan aquile repugnant
Alteri gryphes cupiat nocere
Mutuo belli poſito furore
vincitur hoſtis
An negas vires aquile potentis
Candidos flores violare poſſe
Terreat nuper reparans puella
Lilia regni

Explicit.

Gallorum levitas germanos iuſtificabit
Italie gravitas gallos confuſos ſuperabit
Annis millenis quadringentis quadragenis
Bisque quater denis conſurget aquila grandis
Tunc conſtantia et equitas que cadet ex murmure facti
Et lapis excertus. rome et palacia multa
Tunc ſuccumbet gallus erunt victoria ſigna
Nudus et errabit vir urbis tunc preſule digna
Papa cito morietur. ceſar regnabit ubique
Ceſſabit vana mox ceteri gloria cleri.
